Dear Mr. Casey:

It is with pride that I submit the attached 2010 Charitable Organization Sponsorship Application. I applaud the Young Lawyer Committee of the Mercer County Bar Association for this project to adopt a charitable organization as the beneficiary of its various fundraising activities throughout the calendar year.

While Mobile Meals of Trenton/Ewing is funded by United Way of Great Mercer County, Mercer County Office of Aging as well as corporations and foundations, their support does not cover all the expenses of our program. We, as all nonprofits, are in constant need of finding new sources of income to support our ongoing program. We would welcome a partnership with the Young Lawyer Committee.

Please let me know if you are in need of additional material from us.

Sincerely,

Sister Kathleen Purser, GNSH  
Executive Director

Dear Sir or Madam:

This is in response to the amendment to your organization's Articles of Incorporation filed with the state of New Jersey on December 19, 2002. We have updated our records to reflect the name change as indicated above.

Our records indicate that a determination letter issued in January 1974 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.
